File Wrapper Continuation

A request for a File-Wrapper Continuation was filed in this application after final rejection. Applicant's submission filed on 31 March 1997 has been entered.

STATEMENT OF REASONS FOR ALLOWANCE

The amendment filed 31 March 1997 overcomes the outstanding the indefiniteness and informal issues. Claims 1 and 4 now include the recitation of a “memory circuit” and a “means for providing”. This combination is not expressly taught in the cited prior art. Additionally, it is not seen that there is motivation to modify the cited references to meet the claim language. Thus, the case is in condition for allowance.

Information Disclosure Statement

The reference filed on the PTO-1449 dated 30 June 1997 has not been considered since the cited reference is incomplete.
